DECISION

Notice of Forfeiture and Default Financial Guarantee

This letter is to inform you of the Fillmore Field Office (FFO) decision to require forfeiture of Financial Guarantee, Bureau of Land Management (BLM) Collections and Billing System Receipt No. 1188360, received in Transaction #1228417 on November 21, 2005. The forfeiture is required for failure to complete the terms of the sale contract, which you signed on November 21, 2005, and failure to reclaim the expired 43 CFR § 3602 Mineral Materials Negotiated Sale access route and site in Section 35 of Township 13 South, Range 02 West. The forfeiture will be in the amount of \$6,000.00. The BLM case file number for your mineral materials sale is UTU-78280. Please refer to this number in future correspondence.

Your contract for removal of 18,000 tons of stone expired on November 21, 2006, without payment of your remaining amount owed of \$72,600.00 on your contract. On July 1, 2008, you were notified by certified mail of these circumstances. Field inspections on August 04, 2010 and September 4, 2012 determined that the required reclamation had not taken place. Therefore, under the authority granted to the BLM by 43 CFR §3601.62, you are notified that forfeiture will take place in 30 days, as provided for by 43 CFR §3602.21(b), unless you submit written notification to the BLM in which you state how, and when, you will fulfill your contractual obligations to the satisfaction of the BLM.

Forfeiture of the bond may be avoided by providing a written agreement under which you or another person, that you can demonstrate has the ability, to begin reclamation operations, including removal of any purchased rock stored at the site, within 30 days of your receipt of this letter and have the access route scarified and seeded during 2013 or obtain written permission from the FFO Manager for a surety to complete requirements listed above provided the surety can demonstrate an ability to complete said reclamation requirements.

If you have any questions, please contact Duane Bays, BLM Fillmore Field Office Natural Resource Specialist, at 435-743-3115, or Jerry Mansfield, BLM Fillmore Field Office Geologist, at 435-743-3125.

Sincerely,

A handwritten signature in blue ink that reads "Michael D. Gates". The signature is stylized, with the first name "Michael" written in a cursive script and the last name "Gates" in a more blocky, capital-letter style.

Michael D. Gates
Field Manager
